

AUDA StreetScape Update

September 2, 2009

CONSTRUCTION PROJECT UPDATE

From September 2nd–September 9th, please anticipate construction work primarily in the work zones. Linden Avenue & Lewis Street have been re-opened to traffic. Please anticipate periodic traffic detours for southbound traffic on High Street to facilitate construction work.

On Thursday, September 3rd anticipate night work to facilitate work on water reconnections to PCWA's waterline. Due to the recent 49 Fire, Pacific Gas & Electric underground work has been slightly delayed. Expect PG&E to be back on site by the end of the week

tion of the Auburn monument in front of the businesses between Linden Ave and Lewis St. and the interpretive pedestal in front of wells Fargo. Construction continues on the traffic signal poles. Cook anticipates the handicap ramps and sidewalk concrete work to start September 11th.

Cook Engineering remains ahead of the construction schedule. No construction work is planned for Labor Day. Cook Engineering anticipates the work zones to shift to the other side of High Street between Elder's Bus Station and Wildflower by the end of September.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and near E. Placer St.

Public meetings are being held every Tuesday at noon in front of Froggs where questions can be addressed. The merchants and public are encouraged to attend.
